REMARKS

Claims 1-19 are in the case and stand allowed, for which indication the applicants thank the examiner. The abstract has been amended to be less than 150 words, as requested by the examiner, and the first paragraph of the specification has been amended to include a statement of government rights, which was inadvertently omitted from the earlier filings.

CONCLUSION

Applicants respectfully submit that a full and complete response to the office action is provided herein, and that the application is now fully in condition for allowance. Action in accordance therewith is respectfully requested.

In the event this response is not timely filed, applicants hereby petition for the appropriate extension of time and request that the fee for the extension be charged to deposit account 12-2355. If other fees are required by this amendment, such as fees for additional claims, such fees may be charged to deposit account 12-2252.

Sincerely,

LUEDEKA, NEELY & GRAHAM, P.C.
